Dear Senior Attorney Paul Shanoski:

On July 5, 2012, I submitted a request by mail to process the Certificate of Correction for Application No. 09/671,580 which was corrected on May 1, 2012. I learned that this request has not been associated with Application No. 09/671,580. However, the \$130 fee I submitted with this request has been credited to Application No. 09/671,580.

Additionally, On July 6, 2012, I submitted a new Certificate of Correction for Application No. 09/671,580 to correct an improper incorporation by reference. I sent an addendum informing you of this submission. However, this new Certificate of Correction is being resubmitted on July 31, 2012 because this request has not been associated with Application No. 09/671,580, but the fee submitted with the request has been cashed.

I am resubmitting the original request to process the Certificate of Correction for Application No. 09/671,580. I respectfully request that the Certificate of Correction for Application No. 09/671,580 be processed.

Respectfully submitted,
